TREND HEAVY ON STOCK EXCHANGE

Mexican Situation Shows Restrained
Over Issues and Early Declines
Result—Some Shares Rally.

New York, April 18.—The international problems confronting the country continued to exert a restraining influence, advices from Mexico concerning intimations of fresh complications in that quarter. Nevertheless, most specialties made up a large part of their declines, the firmness of rails, especially coals, imparting some confidence. Trading in marines once more overshadowed all other shares but the munitions group. Mexican Petroleum and United States Steel were also fairly active. A few industrials were materially lower on light offerings. Extensive selling of Anglo-French 5's caused moderate irregularity in bonds.

Free selling of specialties was again the chief feature of today's early trading, with one or two point declines in Crucible Steel, Bald win and American Locomotives. Westinghouse, Mexican Petroleum, Studebaker and Industrial Alcohol. Mercantile Marines were active and strong as a result of the latest statement of the company's earnings, but even those issues soon reacted. New Haven yielded a point with trivial operations in other rails, although Norfolk and Western rose 1/4. Sale of one block of \$47,000 Anglo-French 5's at 96, a fractional recession featured the bond market.

FRESH BREAK IN WHEAT IS SHOWN

Uneasiness Regarding Submarine Sat-
uration Has Bearish Effect On
Market—Prices Drop.

Chicago, April 18.—Uneasiness regarding the submarine issue with Germany and new cables led to fresh breaks today in the price of wheat. Word was at hand also that Kansas farmers were showing no disposition to retain holdings and that for the next 60 days receipts at Kansas City would far exceed last year's figures. The opening which ranged from 3/4c to 1/2c down with May at 1.13 1/4, and July at 1.12 1/4, was followed by a brief rally but then the market sank lower than before.

Subsequently reports that Germany would meet the wishes of the United States in the Sussex case helped to bring about sharp upturns. The close was firm, 1/4c to 3/4c net higher with May at 1.14 1/4@1.14 1/2 and July at 1.14 1/4.

Corn showed relative steadiness in the face of the wheat declines. Cash interests were active buyers. After opening 1/4c off to 1/4c up, the market hardened a little and then eased back. Country offerings remained small, seaboard demand good and receipts light. The close was firm at 1/4c to 1/2c net advance.

Oats were governed by corn. Lack of support weakened provisions.

ALEDO AT A GLANCE

Daily Doings in Mercer County's Busy Capital

HAVING BATTLE FOR CITY COUNCIL BERTH

The city election is being held here today. The streets are unusually crowded with people, presumably voters, as this is usually an important election in Aleido, not so much so, however, this year as heretofore. The Peoples party candidates, T. D. Widders, third ward, and W. H. Morrison, second ward, are meeting no opposition this year. There is a hard fight for the alderman in the first ward, however. G. C. Bowers, present alderman of that ward, and candidate for reelection is meeting strong opposition in John Harney, Citizens' party candidate. Mr. Harney's name was placed upon the ballot as a result of a petition which was gotten up sometime ago requesting that he run for the place. In addition to the aldermen, a police magistrate will be elected today.

Newlyweds Given Reception.

The entire day, Saturday, April 14, at the S. M. Taylor farm residence, was given over to a reception tendered Miss Nellie Hicks of St. Johns, Mich. All present extended to Mr. and Mrs. Jennings their best wishes at the close of the enjoyable day. Among those present at the reception were: G. G. Taylor and family, F. N. Taylor and family, Mr. and Mrs. C. E. Walters, Mr. and Mrs. H. D. Jennings, father and mother of the groom, and Mrs. George Artz.

The next 10 days is expected to complete the preliminary campaign for raising the money immediately. Following the completion of this work will begin upon the project of building.

The Next Step.

Be the noblest man that your present faith, poor and weak and imperfect as it is, can make you be. Live up to your present growth, your present faith. So, and so only, do you take the next straight step forward, as you stand strong where you are now. So only can you think the curtain will be drawn back and there will be revealed to you what lies beyond.—Phillips Brooks.

EASTERN SERVICE AT METHODIST CHURCH

Next Sunday, at the Methodist Episcopal church, will be held special Easter services both morning and evening. At 10:30 a. m. the regular time for the morning services, the Sunday school will render a program, which will utilize the entire service hour.
